Client Testimony

Yo India catered for the Yarra Valley Chocolaterie & Ice Creamery's staff Christmas party. Conan was quick to respond and accommodating for us at short notice. The staff serving on the night were also friendly. The food was delicious and authentic, large portions and catered for everyone's dietary requirements. They served over 100 people very efficiently in under an hour. Very well priced. Thank you!

Kate Poulier, Yarra Valley Chocolaterie

I cannot rate these guys highly enough! We had yo india at our wedding and they set up efficiently, had everything needed, and served dinner so quickly! And I honestly believe this is the best Indian food in Melbourne! It's not the usual curry and rice... They do something that is unique and awesome! And they are a pleasure to deal with!
